ROOM 1

AMBULATORY SURGERY: MAKING IT HAPPEN!

1:50-2:00 p.m. **Opening and Welcome**

Fábio Soares

President of the Scientific Committee of the IAAS IberoAmerica 2021

2:00-3:10 p.m. **Challenges in Establishing Ambulatory Surgery Societies**

Moderator: Fábio Soares. SOBRACAM. Brasília, DF. Brazil

Debater: Newton Quadros. SOBRACAM. São Paulo, SP. Brazil

- **IAAS History and Trajectory**
Douglas McWhinnie. Presidente IAAS. London. United Kingdom
- **APCA History and Trajectory**
Carlos Magalhães. President of APCA. Oporto. Portugal
- **History and Trajectory of ASECMA**
Luis Hidalgo. President of ASECMA. Barcelona. Spain
- **History and Trajectory of SOBRACAM**
Pablo Guttemberg. President of SOBRACAM. Brasília-DF. Brazil

3:10-4:20 p.m. **Challenges in Establishing Outpatient Surgery Units**

Moderator: Pablo Guttemberg. Brasília, DF. Brazil

Debater: Luis Hidalgo. Barcelona. Spain

- **How to Organize Ambulatory Surgery Pathways in Main Hospital Operating Rooms? The Case of Hospital de Braga**
Vicente Vieira. Braga. Portugal
- **How to Establish Satellite Ambulatory Surgery Units? The case of CICA**
Eurico Castro Alves. Oporto. Portugal
- **How to Establish Freestanding Ambulatory Surgery Units (Freestanding). The Esselense Case**
Fabrício Galvão. São Paulo. Brazil
- **How to Establish Ultra-Compact Ambulatory Surgery Units. The Bloco Cirúrgico Case**
Valquíria Moura. Brasília, DF. Brazil

ROOM 1

AMBULATORY SURGERY: MAKING IT HAPPEN!

4:20-5:30 p.m. **Management Challenges in Ambulatory Surgery**

Moderator: Fabrício Galvão. São Paulo. Brazil

Debater: Newton Quadros. São Paulo. Brazil
Mary Stocker. United Kingdom

- **Technology Management in Ambulatory Surgery**
Ian Jackson. York. United Kingdom
- **Key Performance Indicators in Ambulatory Surgery**
Alejandro Recart. Santiago. Chile
- **Team Management in Ambulatory Surgery**
Mariann Aaland. Oslo. Norway
- **Quality Management in Ambulatory Surgery**
Alejandro Langberg. Lima. Perú

5:30-6:40 p.m. **Ambulatory Surgery from the Perspective of Public Management**

Moderator: Ricardo Escalante. Caracas. Venezuela

Debater: Vicente Vieira. Braga. Portugal

- **The Current Status of Ambulatory Surgery as a Health Policy in the World**
Beverly Philip. Boston. USA
- **Evolution and Challenges of Ambulatory Surgery as a Public Health Policy in Spain**
Fernando Docobo. Sevilla. Spain
- **Evolution and Challenges of Ambulatory Surgery as a Public Health Policy in Portugal**
Paulo Lemos. Oporto. Portugal
- **Challenges of Surgical Care as a Public Health Policy in Latin America**
Alejandro Recart. Santiago. Chile

ROOM 1

AMBULATORY SURGERY: MAKING IT HAPPEN!

6:40-7:50 p.m. **Ambulatory Surgery from the Perspective of the Market**

Moderator: José Sebastia. Quito. Ecuador

Debater: Fabrício Galvão. Ribeirão Preto. Brazil

- **Ambulatory Surgery Market in the United States of America: Current Status and Perspectives**
Arnaldo Valedón. Pensilvania, PA. USA
- **Ambulatory Surgery Market in Europe: Current Status and Perspectives**
Jan Eshuis. Amsterdam. Netherlands
- **Ambulatory Surgery Market in Brazil: Current Status and Perspectives**
Newton Quadros. Brazil
- **Ambulatory Surgery Market in Latin America: Current Status and Perspectives**
Alejandro Langberg. Lima. Perú

7:50-9:00 p.m. **The Role of Nursing in Ambulatory Surgery**

Moderator: Danyelle Amorim. Brasília, DF. Brazil

Izar Muller Behs. São Paulo, SP. Brazil

- **Teamwork and Leadership: the Role of the Head Nurse in Ambulatory Surgery**
Mariann Aaland. Oslo. Norway
- **Training of Nursing Teams in Ambulatory Surgery**
Célia Castanheira. Porto. Portugal
- **Standard Operating Procedures in Ambulatory Surgery**
Virtudes Navarro. Seville. Spain
- **Clinical Role of Nurses in Ambulatory Surgery**
Marie Louise Ulsoe. Horsens. Denmark

09:00 p.m. **Closing. The in(certainty) of error!**

Fernando Pestana. Comandante Aéreo. Portugal

ROOM 2

MINIMALLY INVASIVE TECHNIQUES AND AMBULATORY SURGERY

2:00-3:10 p.m. **Paedodontics**

Moderator: Valquíria Moura. Brasília, DF. Brazil

Debater: Carla Pereira. Curitiba, PR. Brazil

- **Paedodontics in an Ambulatory Surgical Setting: How do I do It? An Indian Perspective**
Murugan S. Muthu. Chennai. India
- **Paedodontics in an Ambulatory Surgical Setting: How do I do It? A Brazilian Perspective**
Gabriel Politano. São Paulo. Brazil
- **Paedodontics in an Ambulatory Surgical Setting: How do I do It? A Chilean Perspective**
Daniela Rivera. Santiago. Chile
- **Paedodontics in an Ambulatory Surgical Setting: How do I do It? A Australian Perspective**
Eduardo Alcaíno. Sidney. Australia

3:10-4:20 p.m. **General Surgery**

Moderator: Emanuel Guerreiro. Matosinhos. Portugal

Debater: José Luis Porrero. Madrid. Spain

- **Videolaparoscopic Cholecystectomy: Strategies to Ensure Ambulatory Care**
Carlos Magalhães. Oporto. Portugal
- **Abdominal Wall Hernias: Limits and Possibilities in Ambulatory Surgery**
Rodrigo Galhego. Rio de Janeiro, RJ. Brazil
- **Surgical Treatment of GERD and Bariatric Surgery in Ambulatory Surgery**
Luis Level. Caracas. Venezuela
- **Thyroidectomies in Ambulatory Surgery**
Dieter Morales. Málaga. Spain

ROOM 2

MINIMALLY INVASIVE TECHNIQUES AND AMBULATORY SURGERY

4:20 -5:30 p.m. **Coloproctology**

Moderator: Fábio Soares. Brasília, DF. Brazil

Debater: Luis Hidalgo. Barcelona. Spain

- **Hemorrhoidectomy: Open Excisional Techniques, PPH or THD? Is there an Ideal technique for Ambulatory Surgery?**
Ricardo Escalante. Venezuela
- **Sacral Neurostimulation for Faecal Incontinence: How do I do It?**
Lúcia Oliveira. Brazil
- **Limits of Performing Colectomy in Outpatient Surgery. Is it Possible to Predict the Outcome and Select Patients?**
Ramon Mendes. Salvador, BA. Brazil
- **Video-Assisted Treatment of Pilonidal Cyst (EPSiT): Ideal Technique for Ambulatory Care?**
Leonardo Salim. Rosario. Argentina

5:30-6:40 p.m. **Urology**

Coordination: Dr. Frederico Branco. Porto. Portugal

Moderator: Dr. Carlos Silva. Brasília. Brazil

Discussant: Frederico Branco. Porto. Portugal
Severino Ribeiro. Porto. Portugal

- **Endourology: Surgery Through Natural Orifices, an Advantage for Ambulatory Surgery?**
Mário Lourenço. Coimbra. Portugal
- **Laparoscopy and Robotics: Future or Reality in Ambulatory Surgery?**
Rui Lúcio. Lisbon. Portugal
- **Pelvic Floor Surgery Will be Based on an Ambulatory Surgery Basis?**
Daniel Oliveira-Reis. Cascais. Portugal
- **How can Ambulatory Surgery Evolve into Urology?**
Frederico Branco. Porto. Portugal

ROOM 2

MINIMALLY INVASIVE TECHNIQUES AND AMBULATORY SURGERY

6:40 -7:50 p.m. **Odontology**

Moderator: Paulo Guimarães. Brasília, DF. Brazil

Debater: Adriano Linhares. Rio de Janeiro. Brazil

- **Anesthesia for Dentistry in Ambulatory Surgery: How do I do It? An American Perspective**
Jason Brady. Phoenix. USA
- **Anesthesia for Dentistry in Ambulatory Surgery: How do I do It? A Brazilian Perspective**
Roberto Freire. Curitiba. Brazil
- **Oral Surgery Under General Anesthesia and in an Ambulatory Surgery Setting. How I do It? A Portuguese Perspective**
Rui Moreira. Porto. Portugal
- **Oral Surgery Under General Anesthesia and in an Ambulatory Surgery Setting. How I do It? A Brazilian Perspective**
Normeu Lima Jr. Brasília. Brazil

7:50-9:00 p.m. **Anesthesiology**

Coordinator: Vicente Vieira. Portugal

Moderator: Daniela Agra. Brasília, DF. Brazil

Debaters: Rogério Ribeiro. Brasília, DF. Brazil
Vicente Vieira. Portugal

- **Eligibility Criteria and Pre-Anesthetic Assessment**
Matilde Zaballos. Madrid. Spain
- **Laryngeal Mask Use and Minimally Invasive Airway Management**
José Manuel Cordero. Seville. Spain
- **Guided Blocks in Ambulatory Surgery**
María Isabel García Vega. Madrid. Spain
- **Advances in Pharmacology for Ambulatory Anesthesiology**
Luis Henrique Cangiani. Brazil
